### Stallion Service Auction Procedures

All breedings donated to the program will be offered for sale online at [helpforheidi.com](http://helpforheidi.com). If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined. In order for a bid to be considered, it must be at least fifty percent (50%) of the advertised or established breeding fee. Any breeding not sold when **initial bidding** closes, or breedings donated after **February 15, 2021**, will be offered on a first-come, first-serve basis for 60% of the advertised breeding fee. Donated breedings will be offered until sold or **until June 1, 2021, which will be the last day of the Help For Heidi stallion program.**

**A stallion owner/donor may purchase his or her own stallion service at fifty percent (50%) of the advertised or "established" breeding fee at the time of donation. This will eliminate the stallion from the public auction, but the stallion will still be listed in all the publications and on the Help for Heidi website.**

Any breeding purchased through the Help for Heidi Stallion Service Program may not be transferred or re-sold by the purchaser. Breedings are for the 2021 season only. Any carryover to a future year is at the sole discretion of the stallion owner.

### Important Notice:

The purpose of this program is to stimulate funds to help with the medical expenses for Heidi Hadlock-Evans. In view of this purpose, there will be **no refund** of winning bids for any reason. After the bidding has been completed, **any transaction dealing with the breeding will be solely between the stallion owner and the mare owner. It will in no way involve Heidi Hadlock-Evans.** Submitting a contract indicates acceptance of the foregoing statements.
